Both college programs offer instruction to riders of all levels. Due to time constraints we are only able to offer riding to those who currently ride at the Intermediate level or above during the open house. Please check the box below that best describes your riding experience, whether you want a lesson or a trail ride, and the time that best fits your schedule.

- Intermediate- comfortable riding a variety of horses on the flat and over fences at 2’6” in height

- Advance- comfortable riding a variety of horses on the flat and over fences at 3’ and above in height

I am interested in riding in a lesson          or on a trail ride

I would prefer to ride at 12:30          or 3:30

In order to participate we must also have a signed waiver by a parent or guardian and riders must wear an approved helmet, riding pants, and either tall boots or half chaps with paddock boots. Waivers will be emailed to participants once registration is received.
